If any thorough verification is required, the search may be carried out in a separate room in the presence of a college representative. Girl students will be searched only by female staff members.

**16.3.** If any candidate is found involved in any kind of malpractice, he/she has to be booked under 'malpractice case' and may be permitted to continue to answer in a fresh answer-book. The details of the candidate involved in malpractice must be uploaded in the web-portal before packing of the answer scripts and the relevant Proforma is to be generated and must be signed by AUR and CS. A detailed report (**Proforma 7**) on the matter together with the candidate's answer-scripts (both the scripts), the incriminating material used by the candidate and other material evidence should be forwarded immediately by CS, addressed by name to the Controller of Examinations. The report of any malpractice shall be sent to COE on the same day or the next day of the incident with all materials. Sending such reports either through messenger or by University Representative or sending them very late must be avoided.

**16.4** The report of HS must be clear. Based on the report of HS, CS must also enquire the candidate and send his report along with HS's report. The nature of the punishment to be imposed will depend largely upon the evidence furnished.

**16.5.** Documents to be enclosed along with malpractice case:

- (a) Report on malpractice (**Proforma 7**)
- (b) Answer-scripts (both the scripts) written by the candidate before and after booking for alleged malpractice.
- (c) Incriminating materials in the vicinity or in possession of the candidate. If the Hall Ticket contains any incriminating material, the original Hall Ticket has to be sent along with other documents. CS shall arrange to issue duplicate Hall Ticket to the candidate concerned to enable him/her to write the remaining examinations.
- (d) Sketch of the seating arrangement (wherever necessary).

**16.6.** Hall tickets of the candidates booked under 'malpractice case' need not be confiscated and they may be permitted to write the subsequent examinations. However, if CS envisages any disturbance in the conduct of examination by allowing such candidates to write examination, CS may prevent such candidates from appearing for the subsequent examinations after obtaining the approval from COE for the same.

**16.7.** In case of impersonation, the police authorities should be contacted immediately and the person concerned shall be handed over for investigation and necessary action. A full report about the same should be sent to COE by CS immediately.

**17. Packing of Answer-scripts:**

**17.1.** After the answer-scripts have been collected, they should be carefully arranged subject wise in the sequence of the register numbers.

**17.2.** The packing slips generated from the University web-portal should be pasted on the answer-scripts packets for the subjects concerned. The register number of the candidates registered belatedly should be appended in the slip at appropriate place. Absentees falling within the register numbers pasted in the packet should be encircled with red pen and also to be written in the column provided.

**17.3.** Candidates who are not permitted to write the examination for want of attendance should be treated as absentees. The number of answer-scripts despatched to the University added to the number of absentees must be equal to the number of candidates registered. The registered number of answer-scripts packed separately because of suspected malpractice should be marked with an asterisk mark in the answer-scripts packet with a footnote.

- 17.4.** In the case of malpractice, a detailed report (**Proforma 7**) on the matter together with the candidate's answer-scripts (both the scripts), the incriminating material used by the candidate and other material evidence should be forwarded immediately by CS, addressed by name to the Controller of Examinations.
- 17.5.** The signature of CS, name and seal of the college shall be affixed on the packet without fail. CS/AUR shall sign on the reverse side across the pasted portion of the packet. The AUR must also sign in the face of the packet.
- 17.6.** When a question paper is common for more than one branch / degree, the answer papers of candidates of different branch / degree shall be packed in the sequence as given in the 'attendance-sheet'/packing slip.
- 17.7.** No sheet should be torn off from the answer-scripts. The number of answer-scripts kept inside the packet shall not exceed the specified number indicated thereon. The packets should then be pasted in the presence of CS and AUR at the close of every session. After signing on the packets as said in the previous paragraph, the flap portion of the packets should be pasted first with gum and then with adhesive tape neatly.
- 17.8.** The answer-scripts delivery slip generated from the University web-portal in duplicate (one for college use and one for the use of the Zonal office) should be submitted to the Zonal Office along with the answer scripts packets.
- 17.9.** Any answer-scripts found containing i) the name of the candidate at any place and ii) the register number of the candidate at the non-specified places should be treated as 'suspected malpractice' and should be sent to COE separately.

#### **18. Claims:**

- 18.1.** All applications for contingent advance towards conduct of examinations should be made to COE at least 30 days before the commencement of the examination. Stamped acknowledgments should be furnished for all advances exceeding Rs. 5000/-. Advance paid must be utilized for the purpose for which it is given and should not be used for any other purpose.
- 18.2.** All expenditure relating to Clerical staff, Office Assistant/peon Waterman, Watchman, purchase of stationery, sealing wax, adhesive tape, string, sketch pen, all other contingencies etc., have to be met within the amount allotted.

- 18.3. On conclusion of the examinations, a bill should be prepared and forwarded to COE together with all vouchers and other statements connected therewith (**Proforma 8 & 9**) within 5 days.
- 18.4. After the bills have been checked, orders will be given for the payment of any sum due. If the amount originally drawn is in excess of the expenditure, the balance should be refunded within fifteen days after the examinations are over.
- 18.5. CSs are required to make a return in the form (**Proforma 10**) for the quantity of stationery and serviceable articles remaining at the close of examination and to retain them for the next examination.
- 18.6. CS has to maintain stock particulars of the items such as, Answer-book, packet, etc., supplied by the University. At the close of each examination, CS is expected to send stock position and request for requirement of various items for the use of next examination in Proforma 9.
- 18.7. Claims such as remuneration, allowances etc. of the staff members (except AUR and VS member) drafted for examination purpose will be settled by CS.
