| Objective of the Program | To understand the general Chemistry in our life                             |

The Program started at 10.30 a.m.

A program entitled “**General Chemistry**” for **1<sup>st</sup> year students** conducted by PSNEC Chemistry Staff members in PSNEC Seminar hall. Our chief Guest **Mrs. Rama, Assistant Professor, Chemistry Department, SCADCET, Tirunelveli** shared her ideas on General Chemistry.

General Chemistry is an introduction to the basic concepts of chemistry, including atomic structure and bonding, chemical reactions, and solutions. Other topics covered include gases, thermodynamics, kinetics and equilibrium, redox, and chemistry of the elements.

In fact, Chemistry is considered one of the most difficult subjects in College. Some of the more advanced chemistry courses (like Physical Chemistry) have been determined to be the hardest classes in College. Biomolecules, Solutions, Chemistry in Everyday Life and Polymers.
