This MOU is signed and extended with the objectives of ushering and strengthening better industry-academy Linkages for mutual benefit. The two parties will jointly work towards the common cause with definite vision and missions of long and short-term perspectives.

CLAUSES OF MOU

1. **Relationships:** Both the parties will strive to build long term relationship by involving one another as the guest of honors at all functions like technical seminars, symposiums, cultural and promotional events.

2. **Research:** Primary purpose of this MOU itself is to involve the advanced research at their own areas of operation of both parties. Accordingly any support by way Technical Consultancy (Expertise), literature supports (library, advanced softwares in computer labs), infrastructure support (Laboratories and workshop) and other logical support may be availed to the extent of maintaining secrecy and intellectual property rights of both parties. Either party can opt of augmentations of any facility with mutual concern on investments and utilization. Subsidiary agreements may be made wherever required. We shall provide all infrastructure facilities, labs and workshops. However the cost involved if any on consumables and labours in conducting experiments shall be charged at actual mutually agreed in advance. Any significant outcome of any joint research or development activities, arising out of project works shall have equal right to patent the development with due acknowledgement of other party's contribution. Commercial exploitation if any shall be shared proportionally with mutual agreement.

3. **Consultancy:** The dedicated faculties on both sides (party) shall act as the consultant/outsourcer and technical supporter to one another at all technical, administrative, management and R&D areas. The knowledge sharing by consultancy of the expert members are available at free of cost at the regular college/office functioning hours. Consultancy of the college/office hours if any may be charged accordingly.

4. **Human Resource & Training:** Human resources at both sides shall be strengthened by way of conducting workshops/lectures/study camps at regular interval. Both parties shall organize regular/routine training programme to various levels of technical and managerial manpower of all discipline at a very nominal cost at their respective premises.
