## 7.1.3.4 BEYOND THE CAMPUS ENVIRONMENTAL PROMOTIONAL ACTIVITIES

PSN Engineering College, Melathediyoor, firmly adheres to the policy of environment conservation and regularly organizes on- and off-campus activities that demonstrate our college's obligation to contribute to the sustainability of the environment. Our college has a Green Protocol Monitoring Committee comprising of staff and students that actively involved in orchestrating the environment conservation and awareness- raising activities beyond the campus.

The following are the key components of the institution's policy of beyond the campus environmental promotional activities:

- ❖ Encourage stakeholder awareness of environmental issues to prevent resource abuse and pollution.
- ❖ Observe days of environmental importance with the objective of connecting students to nature.
- ❖ Organize cultural activities with public participation and road shows for creating awareness on environment protection among the general public.
- ❖ Organize online awareness sessions for better reach of the concepts of biodiversity conservation to a wider populace.
- ❖ Visit to Biodiversity Heritage Centers for educating the students about biodiversity, species and ecosystem diversity.
