

AUTHORS PROFILE

Dr. M. S. Ravikumar working as a Principal at PSA Engineering College, Tirunelveli. He graduated in India Engineering College at Mannamtham Sundarmer University, Tirunelveli, Tamilnadu, India. He secured Masters in Structural Engineering at Anna Maria University, Chidambaram, Tamilnadu, India. He secured Ph.D. in Civil Engineering at Sardar Sarabhai University, Chennai, Tamilnadu, India. He is in teaching profession for more than 20 years. He has presented 35 papers in National and International Journals, Conference and Symposiums and also published Engineering Graphics text book in Charulatha Publication. His main area of interest includes Concrete Technology, Waste Water Management & Construction Techniques.

Dr. Shashishankar A working as a Professor & Head in the Department of Civil Engineering at AMCC Engineering College, Bengaluru. He graduated in Engineering at Bengaluru University, Bengaluru, Karnataka, India. He secured Master of Engineering in Civil Engineering at University Visvesvaraya College of Engineering, Bengaluru Karnataka, India. He secured Ph.D. in Civil Engineering at Mangalore University, Mangalore, Karnataka, India. He is in the field of Fly ash, composites and Sustainable Engineering at AMCC, Bengaluru, Karnataka, India. He is a teaching profession for more than 38 years. He has presented 120 papers in National and International Journals, Conference and Symposiums. He has guided 16 Ph.D., candidates. His main area of interest includes Fly ash composites, Energy and Environment, Carbon footprint mitigation and Climate change.

Mrs. Jyothi M R working as an Assistant Professor in the Department of Civil Engineering at M S Ramaiah Institute of Technology, Autonomous Institute affiliated to VTU, Bangalore. She graduated in Environmental Engineering at SJCE, Mysuru, India. She secured Master of Environmental Engineering in Environmental Department at SJCE Mysuru, Karnataka, India. She Pursuing Ph.D. in Environmental Engineering under VTU Belgaum, India. She is in the field of Environmental Engineering at M S Ramaiah Institute of Technology (Autonomous Institute affiliated to VTU) Bangalore Karnataka, India. She is in teaching profession for more than 11 years. She has presented papers in National and International Journals, Conference and Symposiums. Her main area of interest include Solid waste management, Remote sensing and GIS, water supply engineering, Air Pollution and control.

Nikhil T. R. working as an Assistant Professor in the Department of Civil Engineering at M S Ramaiah University of Applied Sciences, Bangalore. He is graduated in Civil Engineering at Sri Siddharta Institute of Technology, Tumkur, Karnataka, India. He secured Master of Engineering in Civil at University Visvesvaraha College of Engineering, Bangalore Karnataka, India. He Pursuing Ph.D. in Department of Civil Engineering at VTU- RRC Belgaum, Karnataka, India. He is in teaching profession for more than 12 years. He has presented 41 papers in National and International Journals, Conference and Symposiums. His main area of interest includes Bacterial Concrete, Water purification using natural materials etc.
