GREEN CAMPUS

A Green Campus is a place where environmental-friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing newparadigms by creating sustainable solutions to environmental, social and economic needs of the mankind. In PSNEC, we practice and maintain the following criteria and policies to make it a pollution free, energy saving green campus.

Green Campus at PSN Engineering College Main Block.
